2. Sew the C4700 Denim strips together in pairs, darkest ends together. Repeat with the C4700 Capri and C4700 Wave strips.
3. Sew the strips together in order shown in the quilt image. Alternate the pressing direction of the adjacent center seams, and press the vertical seam allowances toward the darker fabric.

Finishing

4. Layer the quilt top, batting and backing and quilt as desired.
5. Stitch the binding strips together end to end using diagonal seams. Fold and press the resulting long strip in half lengthwise with wrong sides together. Stitch to the quilt front, matching raw edges and mitering the corners.
6. Fold the binding to the quilt underside and hand-stitch the folded edge to the quilt back.
